

SMART NATION 2.0 VISION

Smart Nation 2.0 focuses on three goals of **Trust, Growth, and Community** to guide our efforts to improve citizens' lives and respond to digital developments.

A SMART NATION THAT WE CAN TRUST

Enhancing security and resilience of our digital infrastructure

- **[NEW]** Intending to introduce Digital Infrastructure Act in 2025
- Building capacity, fostering collaboration to address cyber threats

Strengthening our fight against harmful online activities

- Bolstering our capability to detect and disrupt harmful activities
- **[NEW]** Setting up a new agency for online safety and assurance, backed by new law to improve protection of victims of online harms

Expanding our trusted digital spaces together

- Educating and empowering citizens to go online safely and confidently
- Creating safe and positive digital environments for our children and youth

A SMART NATION THAT HELPS US GROW

Powering our digital economy

- Future-proofing our digital infrastructure
- Staying at leading edge of technology with AI
- **[NEW]** Additional S\$120m investment in "AI for Science"

Empowering our enterprises and workers

- Expanding enterprises' digital capacity
- Equipping workers with skills to succeed

Preparing our next generation for life in a digital future

- **[NEW]** Smart Nation Educator Fellowship to better support educators
- **[NEW]** "AI for Fun" modules in the Code for Fun programme for students

A SMART NATION THAT KEEPS US TOGETHER

Strengthening digital inclusion, leaving no one behind

- Enhancing digital access for all
- Designing more accessible and inclusive digital products and services
- **[NEW]** Expanding outreach to equip more Singaporeans with digital skills for life

Strengthening unity of our community

- **[NEW]** Leveraging technology to strengthen community bonds and connections
- Building a more positive, civic-minded culture online

Strengthening government's partnerships with citizens

- Co-creating digital solutions together with citizens
- Strengthen digital channels for citizen engagement
